As at the date of this announcement, Mr. Fang and Ms. Woo are interested in 709,640,000 Existing Shares and 410,000,000 Existing Shares, representing approximately 17.06% and 9.86% of the issued Existing Shares, respectively. Pursuant to the Irrevocable Undertakings, (i) each of Mr. Fang and Ms. Woo has undertaken to the Company that they will subscribe for 8,870,500 Rights Shares and 5,125,000 Rights Shares, which comprise the full acceptance of their provisional entitlement in respect of 17,741,000 Consolidated Shares and 10,250,000 Consolidated Shares held by each of them (upon completion of the Share Consolidation), respectively; and (ii) each of Mr. Fang and Ms. Woo will not dispose of 17,741,000 Consolidated Shares and 10,250,000 Consolidated Shares (upon completion of the Share Consolidation), representing the shareholding in the Company owned by each of them and such Consolidated Shares will remain beneficially owned by each of them up to and including the date on which completion of the Rights Issue takes place or the date on which the Company announces that the Rights issue will not proceed, whichever is earlier.

Save for the Irrevocable Undertakings, the Company has not received any information or irrevocable undertaking from any other Shareholders of their intention in relation to the Rights Shares to be allotted to them under the Rights Issue as at the date of this announcement.

### **UNDERWRITING ARRANGEMENT**

On 20 October 2021 (after trading hours), the Company entered into the Underwriting Agreement with the Underwriter. **The Rights Issue is only underwritten on a best effort basis. Pursuant to the Company's constitutional documents and the Companies Act, there are no requirements for minimum levels of subscription in respect of the Rights Issue. The register of members of the Company will be closed from Monday, 22 November 2021 to Monday, 29 November 2021 (both dates inclusive) for the purpose of determining entitlements to the Rights Issue. During this period, no transfer of Shares will be registered.

### **GEM LISTING RULES IMPLICATIONS**

Given that the Rights Issue will increase the issued Shares and the market capitalisation of the Company by not more than 50% within the 12-month period immediately preceding the date of this announcement, the Rights Issue is not conditional on approval by the Shareholders pursuant to Rule 10.29(1) of the GEM Listing Rules. #### **WARNING OF THE RISKS OF DEALING IN SHARES**

**Shareholders and potential investors of the Company should note that the Rights Issue is conditional upon the Underwriting Agreement having become unconditional and the Underwriter not having terminated the Underwriting Agreement in accordance with its terms. It should also be noted that the Underwriting Agreement contains provisions granting the Underwriter the right to terminate its obligations on the occurrence of certain events including force majeure. Please refer to the paragraph headed "Underwriting Arrangement — Termination of the Underwriting Agreement" in this announcement for further details. ## **PROPOSED SHARE CONSOLIDATION AND PROPOSED CHANGE IN BOARD LOT SIZE**

### **Proposed Share Consolidation**

The Board proposes to implement the Share Consolidation on the basis that every forty (40) issued and unissued Existing Shares of HK\$0.002 each in the share capital of the Company be consolidated into one (1) Consolidated Share of HK\$0.08 each. The Share Consolidation is conditional upon, among other things, the approval by the Shareholders by way of poll at the EGM.

### ***Effects of the Share Consolidation***

As at the date of this announcement, the authorised share capital of the Company is HK\$100,000,000 divided into 50,000,000,000 authorised shares of HK\$0.002 each, of which 4,160,000,000 Existing Shares have been issued and are fully paid or credited as fully-paid. Upon the Share Consolidation becoming effective but before the completion of the Rights Issue and assuming no further Shares will be issued or repurchased from the date of this announcement to the effective date of the Share Consolidation, the authorised share capital of the Company will become HK\$100,000,000 divided into 1,250,000,000 Consolidated Shares of HK\$0.08 each, of which 104,000,000 Consolidated Shares (which are fully paid or credited as fully-paid) will be in issue.

### ***Conditions of the Share Consolidation***

The Share Consolidation is conditional upon:

- (a) the passing by the Shareholders of an ordinary resolution to approve the Share Consolidation at the EGM;
- (b) the compliance with all relevant procedures and requirements under the laws of the Cayman Islands (where applicable) and the GEM Listing Rules to effect the Share Consolidation; and
- (c) the GEM Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares upon the Share Consolidation becoming effective.

The Share Consolidation will become effective on Wednesday, 17 November 2021, being the third Business Day immediately following the fulfillment of the above conditions.

### ***Status of the Consolidated Shares***

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank pari passu in all respects with each other in the same class in accordance with the Articles of Association. The Share Consolidation will not result in any change in the relative rights or proportionate interests of the holders of shares of the same class. Other than the expenses to be incurred in relation to the Share Consolidation (including without limitation professional fees and printing fees), the implementation thereof will not, of itself, alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the holders of shares of the same class, save for any fractional Consolidated Shares which may arise.

### ***Application for listing of the Consolidated Shares***

An application will be made to the Stock Exchange for the listing of, and permission to deal in, the Consolidated Shares to be issued upon the Share Consolidation becoming effective.

Subject to the granting of the approval of listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, upon the Share Consolidation becoming effective, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or, under contingent situation, such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter.

All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the securities of the Company is listed or dealt in on any other stock exchange other than the Stock Exchange and no such listing or permission to deal is being or is proposed to be sought.

### **Proposed change in Board Lot Size**

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lots of 20,000 Existing Shares. The Board also proposes to change the board lot size for trading from 20,000 Existing Shares to 10,000 Consolidated Shares upon the Share Consolidation becoming effective.

Based on the closing price of HK\$0.011 per Existing Share (equivalent to HK\$0.440 per Consolidated Share) as quoted on the Stock Exchange as at the date of this announcement, the board lot value of the existing board lot of 20,000 Existing Shares each is HK\$220; and the board lot value of the proposed board lot of 10,000 Consolidated Shares each is HK\$4,400. The Change in Board Lot Size will not, by itself, affect any of the rights of Shareholders.

### **Exchange of share certificates**

Subject to the Share Consolidation becoming effective, which is expected to be on Wednesday, 17 November 2021, the Shareholders may, during a period between Wednesday, 17 November 2021 to Friday, 24 December 2021 (both dates inclusive), submit existing share certificates for the Existing Shares, which is in blue colour, to the Registrar, to exchange, at the expense of the Company, for new share certificates for the Consolidated Shares, which will be in purple colour. It is expected that new share certificates for the Consolidated Shares will be available for collection within 10 Business Days from the date of submission for the exchange. Thereafter, the existing share certificates for the Existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such higher amount as may from time to time be specified by the Stock Exchange) for each new share certificate for the Consolidated Shares to be issued or each existing share certificate for the Existing Shares cancelled, whichever the number of certificates issued or cancelled is higher.

Subject to the Share Consolidation becoming effective, the existing share certificate will only be valid for delivery, trading and settlement purposes for the period up to 4:10 p.m. on Tuesday, 21 December 2021, and thereafter will not be accepted for delivery, trading and settlement purposes. However, the existing share certificate for the Existing Shares will continue to be good evidence of title to the Consolidated Shares on the basis of forty (40) Existing Shares for one (1) Consolidated Share. Nevertheless, the existing share certificates for the Existing Shares will continue to be good evidence of legal title and may be exchanged for new share certificates for the Consolidated Shares at any time at the expense of the Shareholders but will not be accepted for delivery, trading and settlement purposes.

### **Arrangement on odd lot trading**

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares arising from the Share Consolidation, the Company will appoint a securities firm to provide matching service, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Details of the odd lot arrangement will be set out in the Circular to be despatched to the Shareholders.

## **Fractional Consolidated Shares**

Fractional Consolidated Shares (if any) arising from the Share Consolidation will not be issued to the Shareholders otherwise entitled thereto but will be aggregated and sold if possible, for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of share certificates held by such holder.

## **Adjustments in relation to other securities of the Company**

As at the date of this announcement, the Company has no outstanding options, warrants or other securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Existing Shares or Consolidated Shares, as the case may be.

## **Reasons for the Share Consolidation and the Change in Board Lot Size**

Under Rule 17.76 of the GEM Listing Rules, where the market price of the securities of the issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the Stock Exchange reserves the right to require the issuer either to change the trading method or to proceed with a consolidation or splitting of its securities.

Pursuant to the “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and updated on 1 October 2020 (the “**Guideline**”), the market price of the Shares at a level less than HK\$0.1 each will be considered as trading at extremity as referred to under Rule 17.76 of the GEM Listing Rules; and taking into account the minimum transaction costs for a securities trade, the expected value per board lot should be greater than HK\$2,000. As at the date of this announcement, the closing price of the Company was HK\$0.011, with a board lot size of 20,000 Existing Shares, the existing board lot value was only HK\$220, which was less than HK\$2,000.

It is expected that the Share Consolidation will increase the nominal value of the Existing Shares and would bring about a corresponding upward adjustment in the trading price per Consolidated Share, hence, upon the Share Consolidation becoming effective, the share price of the Company would be adjusted to HK\$0.440, with a board lot size of 10,000 Consolidated Shares, the new board lot value would be HK\$4,400, which would be more than the required HK\$2,000.

The Board believes the Share Consolidation would reduce the overall transaction and handling costs of dealings in the Shares as a proportion of the market value of each board lot, since most of the banks/securities houses will charge a minimum transaction cost for each securities trade. In addition, despite odd lot shares may be created as a result of the Share Consolidation and the Change in Board Lot Size, the Board considers that it would maintain the trading amount for each board lot at a reasonable level which increases the attractiveness in investing the Shares from a broader range of investors, in particular to

institutional investors, whose house rules might otherwise prohibit or restrict trading in securities that are priced below a prescribed floor, and thus would help to further broaden the shareholder base of the Company.

Accordingly, the Board is of the view that the Share Consolidation and the Change in Board Lot Size are in the interests of the Company and the Shareholders as a whole. The Board believes that the Share Consolidation will not have any material adverse effect on the financial position of the Company and its subsidiaries nor result in change in the relative rights of the Shareholders.

## **PROPOSED CHANGE OF COMPANY NAME**

The Board proposes to change the English name of the Company from “Jete Power Holdings Limited” to “Solomon Worldwide Holdings Limited”, and to adopt and register the Chinese name of “所羅門環球控股有限公司” as the dual foreign name of the Company in place of its existing Chinese name of “鑄能控股有限公司” which is currently used for identification purposes only.

### **Conditions of the Change of Company Name**

The Change of Company Name is subject to the following conditions:

- (i) the passing of the necessary special resolution by the Shareholders at the EGM to approve, among other things, the Change of Company Name; and
- (ii) the Registrar of Companies in the Cayman Islands approving the Change of Company Name.

Subject to the satisfaction of the conditions set out above, the Change of Company Name will take effect from the date on which the Registrar of Companies in the Cayman Islands enters the new name and the new dual foreign name in the Register of Companies in place of the current name and issues a certificate of incorporation on change of name. The Company will then carry out all necessary filing procedures with the Companies Registry in Hong Kong.

### **Effect of the Change of Company Name**

The Change of Company Name will not affect any rights of the holders of securities of the Company or the Company’s daily business operation and its financial position.

All existing share certificates in issue bearing the present name of the Company shall, after the Change of Company Name becoming effective, continue to be evidence of title to such Shares and the existing share certificates will continue to be valid for trading, settlement, registration and delivery purposes. There will not be any arrangement for exchange of the existing share certificates. Once the Change of Company Name becomes effective, the Board intends to change the English and Chinese stock short names of the Company accordingly and new share certificates will be issued only in the new name of the Company.

## **Reasons for the Change of Company Name**

The Board considers that the Change of Company Name will better reflect the current status of the Group and its direction of future development. The Board believes that the new English and Chinese names of the Company will provide the Company with a new corporate image which will benefit the Company's future business development. Therefore, the Board considers that the Change of Company Name is in the best interests of the Company and the Shareholders as a whole.

## **PROPOSED RIGHTS ISSUE**

The Company proposes to raise gross proceeds of approximately HK\$10.4 million, before expenses, by way of the Rights Issue of up to 52,000,000 Rights Shares to the Qualifying Shareholders at a Subscription Price of HK\$0.2 per Rights Share on the basis of one (1) Rights Share for every two (2) Consolidated Shares held on the Record Date.

Subject to the terms and conditions of the Underwriting Agreement, the Underwriter agreed to procure, on a best effort basis, the subscription (but will not itself subscribe) for up to 38,004,500 Rights Shares, being the maximum total number of Rights Shares issuable (assuming no change in the number of Consolidated Shares in issue on or before the Record Date), excluding the Undertaking Rights Shares to be taken up by Mr. Fang and Ms. Woo pursuant to the Irrevocable Undertakings. To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, the Underwriter and its ultimate beneficial owners are Independent Third Parties.

The total funds to be raised will not be less than approximately HK\$2.8 million (assuming no change in the number of Shares in issue on or before the Record Date and only the Undertaking Rights Shares will be taken up) and not more than approximately HK\$10.4 million (assuming no change in the number of Shares in issue on or before the Record Date and all the Rights Shares will be taken up).

The terms of the Rights Issue are set out below:

**Rights Issue statistic**

Basis of the Rights Issue	:	One (1) Rights Share for every two (2) Consolidated Shares held by the Shareholders on the Record Date
Subscription Price	:	HK\$0.2 per Rights Share
Number of Shares in issue as at the date of this announcement	:	4,160,000,000 Shares
Number of Consolidated Shares in issue upon the Share Consolidation having become effective	:	104,000,000
Number of Rights Shares to be issued under the Rights Issue	:	Up to 52,000,000 Shares (assuming no change in the number of Consolidated Shares in issue on or before the Record Date)
Undertaking Rights Shares	:	13,995,500 Rights Shares, being the aggregate number of Rights Shares undertaken to be subscribed by Mr. Fang and Ms. Woo under the Irrevocable Undertakings
Aggregate nominal value of the Rights Shares	:	Up to approximately HK\$4,160,000 (assuming no change in the number of Consolidated Shares in issue on or before the Record Date)
Total number of Consolidated Shares in issue as enlarged by the allotment and issue of the Rights Shares	:	Up to 156,000,000 Consolidated Shares (assuming no change in the number of Shares in issue on or before the Record Date and that no new Shares (other than the Rights Shares) will be allotted and issued on or before completion of the Rights Issue)
Underwriter	:	Lego Securities Limited
Total funds to be raised (before expenses)	:	Not less than approximately HK\$2.8 million (assuming no change in the number of Shares in issue on or before the Record Date and only the Undertaking Rights Shares will be taken up) and not more than approximately HK\$10.4 million (assuming no change in the number of Shares in issue on or before the Record Date and all the Rights Shares will be taken up)

Under the Rights Issue, the maximum 52,000,000 nil-paid Rights Shares proposed to be provisionally allotted represent 50% of the number of Consolidated Shares in issue upon the Share Consolidation becomes effective and approximately 33.3% of the number of Consolidated Shares in issue as enlarged by the allotment and issue of the Rights Shares (assuming no change in the number of Shares in issue on or before the Record Date and that no new Shares (other than the Rights Shares) will be allotted and issued on or before completion of the Rights Issue).

As at the date of this announcement, the Company has no outstanding derivatives, options, warrants, conversion rights or other similar rights which are convertible or exchangeable into or confer any right to subscribe for Shares in the Rights Issue. The Company has no intention to issue or grant any Shares, convertible securities, warranties and/or options on or before the Record Date.

The Rights Issue is only underwritten on a best effort basis. Pursuant to the Company's constitutional documents and the Companies Act, there are no requirements for minimum levels of subscription in respect of the Rights Issue. Subject to fulfillment of the conditions of the Rights Issue, the Rights Issue will proceed regardless of the ultimate subscription level. Based on the Irrevocable Undertakings given by Mr. Fang and Ms. Woo, it is anticipated that at least 13,995,500 Rights Shares will be taken up. In the event the Rights Issue is undersubscribed, any Rights Shares not subscribed by the Qualifying Shareholders or transferees of nil-paid Rights Shares and not subscribed by other subscribers procured by the Underwriter pursuant to the Underwriting Agreement will not be issued by the Company and the size of the Rights Issue will be reduced accordingly. Investors are advised to exercise caution when dealing in the Shares.

### **Subscription Price**

The Subscription Price of HK\$0.2 per Rights Share is payable in full when a Qualifying Shareholder accepts the relevant provisional allotment of Rights Shares or, where applicable, applies for excess Rights Shares or when a transferee of nil-paid Rights Shares accepts the provisional allotment of the relevant Rights Shares.

The Subscription Price represents:

- (i) a discount of approximately 54.5% to the closing price of HK\$0.440 per Consolidated Share as quoted on the Stock Exchange on the Last Trading Day, assuming Share Consolidation has become effective;
- (ii) a discount of approximately 54.5% to the average closing price per Consolidated Share as quoted on the Stock Exchange for the last five consecutive trading days up to and including the Last Trading Day of approximately HK\$0.440, assuming Share Consolidation has become effective;

- (iii) a discount of approximately 55.8% to the average closing price per Consolidated Share as quoted on the Stock Exchange for the last 10 consecutive trading days up to and including the Last Trading Day of approximately HK\$0.452, assuming Share Consolidation has become effective;
- (iv) a discount of approximately 58.6% to the average closing price per Consolidated Share as quoted on the Stock Exchange for the last 30 consecutive trading days up to and including the Last Trading Day of approximately HK\$0.483, assuming Share Consolidation has become effective;
- (v) a discount of approximately 44.4% to the theoretical ex-entitlement price of approximately HK\$0.360 per Share based on the closing price of HK\$0.440 per Consolidated Share as quoted on the Stock Exchange on the Last Trading Day and the number of Shares as enlarged by the Rights Shares;
- (vi) a theoretical dilution effect (as defined under Rule 10.44A of the GEM Listing Rules) of approximately 18.2% represented by the theoretical diluted price of approximately HK\$0.360 to the benchmarked price of approximately HK\$0.440 per Share (as defined under Rule 10.44A of the GEM Listing Rules, taking into account the closing price on the Last Trading Day of HK\$0.011 per Share and the average closing price of the Shares as quoted on the Stock Exchange for the five consecutive trading days immediately prior to the date of this announcement); and
- (vii) a discount of approximately 5.66% to the consolidated net asset value per Share attributable to the Shareholders as at 30 June 2021 of approximately HK\$0.212 per Consolidated Share calculated based on the unaudited consolidated net assets of the Group attributable to the Shareholders of approximately HK\$22,034,000 as at 30 June 2021 as set out in the 2021 Interim Report and 104,000,000 Consolidated Shares in issue as at the date of this announcement, assuming Share Consolidation has become effective since 30 June 2021.

The Subscription Price was determined with reference to, among other things, (i) the recent market prices of the Shares prior to the Last Trading Day; (ii) the low trading volume and infrequent trading of the Shares; (iii) the amount of funds the Company intends to raise under the Rights Issue for the purposes described in the section headed “Reasons for the Rights Issue and the use of proceeds” in this announcement; and (iv) the recent volatility of the capital market in Hong Kong during the three months up to and including the Last Trading Day, which may affect investors’ confidence in the market. The Hang Sang Index fluctuated between a high of approximately 28,004.7 at closing on 16 July 2021 and a low of approximately 23,966.5 at closing on 6 October 2021 and closed at approximately 26,136.0 on the Last Trading Day. The Directors consider that the Subscription Price at a discount to the current market price of the Shares and at a price close to the latest net asset value per Share attributable to the Shareholders would enhance the attractiveness of the Rights Issue,

and in turn encourage the Shareholders to participate in the Rights Issue, and accordingly allow them to maintain their shareholdings in the Company and participate in the future growth and development of the Group.

The Directors consider that, in view of prevailing market conditions and factors as described above, the terms of the Rights Issue, including the Subscription Price, are commercially rational, fair and reasonable and in the interests of the Company and the Shareholders as a whole. The net price per Rights Share (i.e., Subscription Price less the estimated cost and expenses to be incurred in the Rights Issue) upon full acceptance of the relevant provisional allotment of Rights Shares will be approximately HK\$0.18 per Rights Share.

### **Basis of provisional allotment**

The basis of the provisional allotment shall be one (1) Rights Share for every two (2) Consolidated Shares held by the Shareholders as at the close of business on the Record Date. Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by completing a PAL and lodging the same with a cheque or a banker's cashier order for the sum payable for the Rights Shares being applied for with the Registrar on or before 4:00 p.m. on the Latest Acceptance Date.

If a Qualifying Shareholder wishes to accept only a part of, or to renounce or transfer a part of, the Rights Shares provisionally allotted to him/her/it under the PAL, such Qualifying Shareholder will need to split his/her/its PAL into the denominations required. Details as to how to split the PALs will be set out in the Prospectus.

### **Qualifying Shareholders**

The Rights Issue will only be available to the Qualifying Shareholders. The Company will send the Prospectus Documents to the Qualifying Shareholders. Subject to the advice of the Company's legal advisers in the relevant jurisdictions and to the extent reasonably practicable, the Company may send copies of the Prospectus to the Non-Qualifying Shareholders for their information only but will not send any PAL or EAF to them.

To qualify for the Rights Issue, a Shareholder must:

- (i) be registered as a member of the Company at the close of business on the Record Date; and
- (ii) be a Qualifying Shareholder.

Shareholders with their Shares held by a nominee (or held in CCASS) should note that the Board will consider nominee (including HKSCC Nominees Limited) as one single Shareholder according to the register of members of the Company and are advised to consider whether they would like to arrange for the registration of the relevant Shares in their own names prior to the Record Date.

In order to be registered as members of the Company on the Record Date, the Shareholders must lodge any transfer documents of the Shares (together with the relevant share certificates) with the Registrar, Tricor Investor Services Limited, Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong by no later than 4:30 p.m. on Friday, 19 November 2021.

The Company expects to send the Prospectus Documents to the Qualifying Shareholders on Tuesday, 30 November 2021.

Qualifying Shareholders who take up their pro-rata entitlement in full under the Rights Issue will not suffer any dilution to their interests in the Company (except in relation to any dilution resulting from the taking up by third parties of any Rights Shares arising from the aggregation of fractional entitlements).

**If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company will be diluted.**

### **Rights of Overseas Shareholders**

The Prospectus Documents are not intended to be registered or filed under the applicable securities legislation of any jurisdiction other than Hong Kong. Overseas Shareholders on the Record Date, if any, may not be eligible to take part in the Rights Issue as explained below.

Pursuant to Rule 17.41(1) of the GEM Listing Rules, the Directors will make enquiries regarding the legality and feasibility of extending the Rights Issue to the Overseas Shareholder(s) under the laws of the relevant overseas jurisdictions and the requirements of the relevant regulatory bodies or stock exchanges. If, after making such enquiries, the Directors are of the opinion that it would be necessary or expedient on account either of the legal restrictions under the laws of the relevant place or the requirements of the relevant regulatory body or stock exchange in that place to exclude such Overseas Shareholder(s) from the Rights Issue, no Rights Shares (whether in nil-paid or fully paid form) will be offered to such Overseas Shareholder(s). In such circumstances, the Rights Issue will not be extended to the Non-Qualifying Shareholder(s). Subject to the advice of the Company's legal advisers in the relevant jurisdictions and to the extent reasonably practicable, the Company may send copies of the Prospectus to the Non-Qualifying Shareholders for their information only on the Posting Date, but will not send any PAL and EAF to them.

Arrangements will be made for the nil-paid Rights Shares which would otherwise have been provisionally allotted to the Non-Qualifying Shareholders to be sold in the market as soon as practicable after dealings in nil-paid Rights Shares commence, and in any event before the last day for dealings in nil-paid Rights Shares if a premium (net of expenses) can be obtained. The net proceeds of each sale, less expenses and stamp duty, of not less than HK\$100 will be paid pro-rata (rounded down to the nearest cent) to the relevant Non-Qualifying Shareholder(s) in Hong Kong dollars. The Company will retain

individual amounts of HK\$100 or less for its own benefit. Any unsold entitlements of the Non-Qualifying Shareholders, together with any Rights Shares provisionally allotted but not accepted, will be made available for excess application on EAFs by the Qualifying Shareholders.

Based on the register of members of the Company, as at the date of this announcement, there was no Overseas Shareholder.

**Overseas Shareholders and beneficial owners of the Shares who are residing outside Hong Kong should note that they may or may not be entitled to the Rights Issue subject to the results of the enquiries to be made by the Directors pursuant to Rule 17.41(1) of the GEM Listing Rules. Accordingly, such Overseas Shareholders and beneficial owners of the Shares should exercise caution when dealing in the Shares.**

### **Status of the Rights Shares**

When allotted and fully paid, each Rights Share will have a nominal value of HK\$0.08. The Rights Shares, when allotted, issued and fully paid, will rank *pari passu* in all respects with the Shares in issue at the time. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions which may be declared, made or paid by the Company after the date of allotment and issue of the Rights Shares.

### **Adjustments to entitlements**

As the Rights Issue will proceed on a best effort basis, the Shareholder who applies to take up all or part of his/her/its entitlement under the PAL(s) or EAF(s) may unwittingly incur an obligation to make a general offer for the Shares under the Takeovers Code. Accordingly, the Rights Issue will be made on terms that the Company will provide for the Shareholders (other than HKSCC Nominees Limited) to apply on the basis that if the Rights Shares are not fully taken up, the application of any Shareholder for his/her/its assured entitlement under the Rights Issue will be scaled down to a level which does not trigger an obligation on part of the relevant Shareholder to make a general offer under the Takeovers Code in accordance to the note to Rule 10.26(2) of the GEM Listing Rules. Investors are advised to exercise caution when dealing in the Shares. There is no minimum amount to be raised under the Rights Issue.

### **Fractional entitlements to the Rights Shares**

The Company will not provisionally allot and will not accept application for any fractions of Rights Shares. All fractions of Rights Shares will be aggregated (and rounded down to the nearest whole number of a Share) and all nil-paid Rights Shares arising from such aggregation will be sold in the market for the benefit of the Company if a premium (net of expenses) can be achieved. Any unsold fractions of Rights Shares will be made available for excess application by the Qualifying Shareholders under the EAF(s). No odd-lot matching services will be provided by the Company in respect of the Rights Issue.

## **Application for excess Rights Shares**

Qualifying Shareholders shall be entitled to, by way of excess application, apply for excess Rights Shares, which comprise (i) any unsold Rights Shares which would have been provisionally allotted to the Non-Qualifying Shareholders; (ii) any Rights Shares provisionally allotted to but not validly accepted by the Qualifying Shareholders or otherwise not subscribed for by renounees or transferees of Rights Shares in nil-paid form; and (iii) any unsold Rights Shares created by aggregating fractions of Rights Shares in nil-paid form.

Applications for excess Rights Shares may be made only by the Qualifying Shareholders and only by duly completing and signing the EAF (in accordance with the instructions printed thereon) and lodging the same with a separate cheque or banker's cashier order for the sum payable for the excess Rights Shares being applied for with the Registrar no later than 4:00 p.m. on Tuesday, 14 December 2021.

The Directors will allocate the excess Rights Shares (if any) at their discretion on a fair and equitable basis, according to the principle that any excess Rights Shares will be allocated to Qualifying Shareholders who apply for them on a pro rata basis by reference to the number of excess Rights Shares applied for but no reference will be made to Rights Shares comprised in applications by PAL or the existing number of Shares held by Qualifying Shareholders. No preference will be given to topping up odd lots to whole board lots.

If the aggregate number of Rights Shares available for excess application is greater than the aggregate number of excess Rights Shares applied for through EAFs, the Directors will allocate in full to each Qualifying Shareholder the number of excess Rights Shares applied for under the EAFs.

In the event that the Board notes unusual patterns of excess applications and has reason to believe that any excess application may have been made with the intention to abuse the mechanism, such application(s) for excess Rights Shares may be rejected at the sole discretion of the Board.

Investors whose Shares are held by a nominee company (including HKSCC Nominees Limited) should note that for the purpose of the Rights Issue, the Board will regard the nominee company as a single Shareholder according to the register of members of the Company. Investors whose Shares are held by a nominee company (including HKSCC Nominees Limited) are advised to consider whether they would like to arrange for the registration of the relevant Shares in the name of the beneficial owners prior to the Record Date. Shareholders and investors should consult their professional advisers if they are in doubt as to their status.

For those investors whose Shares are held by a nominee company (including HKSCC Nominees Limited) and would like to have their names registered on the register of members of the Company, all necessary documents must be lodged with the Registrar at Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong by 4:30 p.m. on Friday, 19 November 2021.

Any Rights Shares (excluding the those in respect of the Undertaking Shares) not taken up by the Qualifying Shareholders and not taken up by excess applications will be taken up by the subscribers procured by it pursuant to the terms and conditions of the Underwriting Agreement.

### **Taxation**

Shareholders are advised to consult their professional advisers if they are in any doubt as to the taxation implications of the receipt, purchase, holding, exercising, disposing of or dealing in, the Rights Shares in their nil-paid or fully-paid forms and, regarding the Non-Qualifying Shareholders, their receipt of the net proceeds, if any, from sale of the nil-paid Rights Shares on their behalf.

### **Application for listing**

The Company will apply to the GEM Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange. No part of the share capital of the Company is listed or dealt in or on which listing or permission to deal in is being or is proposed to be sought on any other stock exchange.

### **Rights Shares will be eligible for admission into CCASS**

Subject to the granting of the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the respective commencement dates of dealings in the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange or such other dates as determined by HKSCC.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their licensed securities dealer(s) or other professional adviser(s) for details of those settlement arrangements and how such arrangements will affect their rights and interests.

Both the nil-paid Rights Shares and the fully-paid Rights Shares will be traded in board lots of 10,000 Shares.

### **Stamp duty and other applicable fees**

Dealings in the Rights Shares in both their nil-paid and fully-paid forms will be subject to the payment of stamp duty, Stock Exchange trading fee, SFC transaction levy or any other applicable fees and charges in Hong Kong.

### **Share certificates and refund cheques for the Rights Shares**

Subject to the fulfilment of the conditions of the Rights Issue as set out below, share certificates for all fully-paid Rights Shares are expected to be posted to those entitled thereto by ordinary post to their registered address, at their own risks, on or before Friday, 24 December 2021. If the Rights Issue does not proceed, refund cheques will be posted on or before Friday, 24 December 2021 by ordinary post to the respective Shareholders, at their own risk, to their registered addresses. Refund cheques in respect of wholly or partially unsuccessful applications for excess Rights Shares (if any) are expected to be despatched on or before Friday, 24 December 2021 to the applicants without interest at their registered addresses by ordinary post at their own risk.

### **The Substantial Shareholders' Undertaking**

As at the date of this announcement, Mr. Fang and Ms. Woo are interested in 709,640,000 Existing Shares and 410,000,000 Existing Shares, representing approximately 17.06% and 9.86% of the issued Existing Shares, respectively. Pursuant to the Irrevocable Undertakings, (i) each of Mr. Fang and Ms. Woo has undertaken to the Company that they will subscribe for 8,870,500 Rights Shares and 5,125,000 Rights Shares, which comprise the full acceptance of their provisional entitlement in respect of 17,741,000 Consolidated Shares and 10,250,000 Consolidated Shares held by each of them (upon completion of the Share Consolidation), respectively; and (ii) each of Mr. Fang and Ms. Woo will not dispose of 17,741,000 Consolidated Shares and 10,250,000 Consolidated Shares (upon completion of the Share Consolidation), representing the shareholding in the Company owned by each of them and such Consolidated Shares will remain beneficially owned by each of them up to and including the date on which completion of the Rights Issue takes place or the date on which the Company announces that the Rights issue will not proceed, whichever is earlier. Mr. Fang and Ms. Woo confirmed that they intend to apply for any excess Rights Shares if there is an undersubscription of the Rights Issue.

Save for the Irrevocable Undertakings, the Company has not received any information or irrevocable undertaking from any other Shareholders of their intention in relation to the Rights Shares to be allotted to them under the Rights Issue as at the date of this announcement.

## **Underwriting arrangement**

On 20 October 2021 (after trading hours), the Company and the Underwriter entered into the Underwriting Agreement in respect of the proposed Rights Issue, subject to the terms and conditions set out in the Underwriting Agreement. Subject to the terms and conditions of the Underwriting Agreement, the Underwriter agreed to procure, on a best effort basis, the subscription (but will not itself subscribe) for up to 38,004,500 Rights Shares, being the maximum total number of Rights Shares issuable (assuming no change in the number of Consolidated Shares in issue on or before the Record Date), excluding the Undertaking Rights Shares to be taken up by Mr. Fang and Ms. Woo pursuant to the Irrevocable Undertakings.

The total funds to be raised will not be less than approximately HK\$2.8 million (assuming no change in the number of Shares in issue on or before the Record Date and only the Undertaking Rights Shares will be taken up) and not more than approximately HK\$10.4 million (assuming no change in the number of Shares in issue on or before the Record Date and all the Rights Shares will be taken up).

Principal terms of the Underwriting Agreement are as follows:

Date : 20 October 2021 (after trading hours)

Underwriter : Lego Securities Limited, a corporation licensed to carry out Type 1 (dealing in securities) regulated activity under the SFO.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, the Underwriter and its ultimate beneficial owners are Independent Third Parties.

Number of Rights Shares to be underwritten : Subject to the terms and conditions of the Underwriting Agreement, the Underwriter agreed to procure, on a best effort basis, the subscription (but will not itself subscribe) for up to 38,004,500 Rights Shares, being the maximum total number of Rights Shares issuable (assuming no change in the number of Consolidated Shares in issue on or before the Record Date), excluding the Undertaking Rights Shares to be taken up by Mr. Fang and Ms. Woo pursuant to the Irrevocable Undertakings.

Commission : 1.5% of the sum resulting from multiplying the Subscription Price by the number of Underwritten Shares procured to be subscribed by the Underwriter or its sub-underwriters.

The terms of the Underwriting Agreement (including the commission rate) were determined after arm's length negotiation between the Company and the Underwriter by reference to the financial position of the Group, the size of the Rights Issue, the current and expected market condition, the market price of the Shares and the prevailing market rate of similar transactions. The Directors consider that the terms of the Underwriting Agreement, including the commission rate, are fair and reasonable and in the interest of the Company and the Shareholders as a whole. None of the Directors has a material interest in the transaction contemplated under the Underwriting Agreement.

**Effect of bad weather on the latest time for acceptance of and payment for the Rights Shares and for application and payment for excess Rights Shares**

The latest time for acceptance of and payment for the Rights Shares and application and payment for excess Rights Shares will not take place if there is a tropical cyclone warning signal no. 8 or above, a “black” rainstorm warning signal and/or extreme conditions is:

- (i) in force in Hong Kong at any local time before 12:00 noon and no longer in force after 12:00 noon on the Latest Acceptance Date. Instead the latest time for acceptance of and payment for the Rights Shares will be extended to 5:00 p.m. on the same Business Day; or

- (ii) in force in Hong Kong at any local time between 12:00 noon and 4:00 p.m. on the Latest Acceptance Date. Instead the latest time for acceptance of and payment for the Rights Shares and for application and payment for excess Rights Shares will be rescheduled to 4:00 p.m. on the following Business Day which does not have any of those warnings in force in Hong Kong at any time between 9:00 a.m. and 4:00 p.m.

If the latest time for acceptance of and payment for the Rights Shares and for application and payment for excess Rights Shares does not take place on or before 4:00 p.m. on Tuesday, 14 December 2021, the dates mentioned in this section may be affected. An announcement will be made by the Company in such event.

### **Reasons for the Rights Issue and use of proceeds**

The Group principally engages in trading and manufacturing of metal casting parts and components in the PRC and provision of financial printing services in Hong Kong.

Assuming no change in the number of Consolidated Shares in issue on or before the Record Date and all the Rights Shares will be taken up, the gross proceeds of the Rights Issue will be approximately HK\$10.4 million and the estimated net proceeds of the Rights Issue, after deducting the related expense, will be up to approximately HK\$9.3 million (equivalent to a net price of approximately HK\$0.18 per Rights Share). The Company intends to apply the net proceeds from the Rights Issue for the general working capital of the Group, including (i) approximately 21.5%, or HK\$2.0 million, of the net proceeds from the Rights Issue for staff cost; (ii) approximately 37.6%, or HK\$3.5 million, of the net proceeds from the Rights Issue for rental expenses; (iii) approximately 26.9%, or HK\$2.5 million, of the net proceeds from the Rights Issue for repaying account payables; and (iv) approximately 14.0%, or HK\$1.3 million, of the net proceeds from the Rights Issue for other daily operating expenses of the Group.

The Rights Issue will proceed irrespective of the level of acceptance of the provisionally allotted Rights Shares. In the event the Rights Issue is undersubscribed, any Rights Shares (excluding those Undertaking Rights Shares) that are not taken up under the PALs and EAFs will be subscribed by subscribers procured by the Underwriter, on a best effort basis, pursuant to the Underwriting Agreement. Any Rights Shares that are not taken up under the PALs and EAFs and also not subscribed by the subscribers procured by the Underwriter will not be issued by the Company and the size of the Rights Issue will be reduced accordingly. There are no statutory requirements regarding minimum subscription levels in respect of the Rights Issue. There is no minimum amount to be raised under the Rights Issue. Assuming the Rights Issue is undersubscribed, except for those Rights Shares to be provisionally allotted to Mr. Fang and Ms. Woo, the amount of net proceeds will be approximately HK\$1.8 million.

As at 30 June 2021, the Group had cash and cash equivalents of approximately HK\$6.1 million. Considering that for the year ended 31 December 2020, the Group's revenue, cost of sales and operating expenses (including selling and distribution expenses, administrative

expenses, finance costs and income tax) amounted to approximately HK\$85.6 million, HK\$63.7 million and HK\$51.9 million, respectively, the Directors consider that the cash level on hand is insufficient for the size of the Group's operation. Further, the COVID-19 pandemic has brought additional uncertainties in the Group's operating environment and such unfavourable and uncertain market conditions shall persist for a period of time. In view of the challenging operating environment, the Company considers it appropriate to maintain a healthy cash level meet the Group's operating requirements and any unforeseen capital requirements from time to time. The Board considers it necessary to conduct fund raising activities to strengthen the financial position of the Group amid challenging market condition.

The Board has considered various fund-raising alternatives before resolving to the Rights Issue, including but not limited to debt financing and placing of new shares.

The Board considers that placing of new Shares would be a suboptimal fund-raising means as it will lead to an immediate dilution in shareholding interest of the existing Shareholders without offering them opportunities to participate in the enlargement of the capital base of the Company. Moreover, any further debt financing or borrowing may worsen the gearing ratio and incur further interest expenses of the Company. In view of this, the Board has averted debt financing as a source for raising funds in this occasion.

In comparison, the Board considers that the Rights Issue provides a good opportunity for the Group to enhance its financial position, while at the same time the Rights Issue will enable all Qualifying Shareholders to participate in the future development of the Company on equal terms. Since the Rights Issue will allow the Qualifying Shareholders to maintain their respective pro-rata shareholdings in the Company and therefore avoid dilution, the Board considers that it is in the interests of the Company and the Shareholders as a whole to raise capital through the Rights Issue.

As at the date of this announcement, save for the Rights Issue, the Board has no intention or plan to conduct other equity fund raising activities in the next 12 months. However, if there shall arise any change of the Group's current circumstances and existing business plans and that the net proceeds from the Rights Issue may not satisfy such upcoming financing needs, the Board does not rule out the possibility that the Company may conduct further equity fund raising exercises to support such future developments of the Group. The Company will make further announcement in this regard in accordance with the GEM Listing Rules as and when appropriate.

## **EFFECTS ON THE SHAREHOLDING STRUCTURE OF THE COMPANY**

The following table sets out the possible changes in the shareholding structure of the Company arising from the proposed Share Consolidation and Rights Issue which are for illustrative purpose only.

Set out below is the shareholding structure of the Company (i) as at the date of this announcement; (ii) immediately after the Share Consolidation becoming effective but before completion of the Rights Issue; (iii) immediately after completion of the Rights Issue, assuming full acceptance by all Shareholders; (iv) immediately after completion of the Rights Issue, assuming nil acceptance by the Shareholders (except the Undertaking Rights Shares); and (v) immediately after completion of the Share Consolidation and the Rights Issue assuming none of the Qualifying Shareholders (except the Undertaking Rights Shares) have taken up any entitled Rights Shares and all the unsubscribed Rights Shares under the PALs and EAFs were subscribed for through the Underwriter:

	Immediately after completion of the Rights Issue
